Proposed Constitutional Amendment

### A Self-Executing Amendment Relating to Abortion and Other Reproductive Decisions

Proposed by Initiative Petition

To enact Section 22 of Article I of the Constitution of the State of Ohio

A majority yes vote is necessary for the amendment to pass.

The proposed amendment would:

- Establish in the Constitution of the State of Ohio an individual right to one's own reproductive medical treatment, including but not limited to abortion;
- Create legal protections for any person or entity that assists a person with receiving reproductive medical treatment, including but not limited to abortion;
- Prohibit the State from directly or indirectly burdening, penalizing, or prohibiting abortion before an unborn child is determined to be viable, unless the State demonstrates that it is using the least restrictive means;
- Grant a pregnant woman's treating physician the authority to determine, on a case-by-case basis, whether an unborn child is viable;
- Only allow the State to prohibit an abortion after an unborn child is determined by a pregnant woman's treating physician to be viable and only if the physician does not consider the abortion necessary to protect the pregnant woman's life or health; and
- Always allow an unborn child to be aborted at any stage of pregnancy, regardless of viability if, in the treating physician's determination, the abortion is necessary to protect the pregnant woman's life or health.

If passed, the amendment will become effective 30 days after the election.

### SHALL THE AMENDMENT BE APPROVED?

- Yes
- No

## COMBINED ARGUMENT AND EXPLANATION FOR ISSUE 1

---

### Vote “YES” for Reproductive Freedom

Vote YES to keep government out of our family’s personal decisions. Ohioans agree that abortion is a personal, private decision that should be up to women and their families, not the government.

#### **Ohioans are Voting YES because:**

- YES ensures people can make the decisions that are best for them and their families when it comes to contraception and abortion.
- YES protects patients and families from extreme abortion bans. If this amendment fails, abortion could be banned even in cases of rape, incest, or when a woman’s life is at risk.
- People from across the state, including Republicans, Democrats, Independents, and more than 4,000 doctors, nurses, and faith leaders back this amendment. Ohioans know that no matter how you feel about abortion personally, government should not have the power to make these personal medical decisions for the people you love.
- YES prevents government from jailing patients who seek abortion or miscarriage care, and doctors who provide that care.

This fall, vote YES to keep government out of our family’s personal decisions. Ohioans deserve the freedom to make personal, medical decisions about pregnancy and abortion free from government interference.

## COMBINED ARGUMENT AND EXPLANATION AGAINST ISSUE 1

---

### Vote NO on Issue 1

*Save Life, Protect Women, Defend Parents’ Rights*

Issue 1 is a dangerous attack on the unborn, women, and parents. It’s an extreme attempt to create abortion-on-demand and to eliminate reasonable health and safety standards for pregnant women. It ends parental notification and excludes parents from their child’s medical decisions.

At its core, Issue 1 allows for-profit abortion providers, like Planned Parenthood, to self-regulate and perform abortions up to viability and beyond at the sole discretion of the abortionist.

Don’t enshrine late-term abortion in Ohio’s Constitution. Don’t erase parental rights. Don’t subject women to dangerous, unregulated medical procedures. **Vote NO.**

When casting your **NO** vote, remember that Issue 1:

#### **Establishes abortion-on-demand through all nine months.**

- Removes even basic limits on abortion. It allows for-profit abortion providers to make the final call on procedures, standards, and timing.
- Allows dismemberment abortions; painful, late-term abortions; and abortions after a child is born alive by overriding current laws.
- Permits abortion because of the child’s sex, race, or disability.

#### **Erases parental rights.**

- Ends parental notification and prevents parents from being involved in their child’s medical decisions, like an abortion or irreversible sex-change operations.
- Cuts parents out of the most important decisions in their children’s lives, while allowing abortion promoters to pressure those children behind closed doors.

#### **Eliminates basic health and safety protections for women.**

- Abolishes care and safety standards for treatment of pregnant women, like requiring that abortions must be performed in-person by a licensed doctor who can transfer a woman to a hospital if something goes wrong.

A **NO** vote protects Ohio’s Constitution from a dangerous amendment that creates abortion-on-demand and eliminates parental rights. Issue 1 hurts women and removes parents from their children’s medical decisions.

Save human life, protect women, and defend parental rights.

**FULL TEXT OF AMENDMENT**

Be it Resolved by the People of the State of Ohio that Article I of the Ohio Constitution is amended to add the following Section:

Article I, Section 22. The Right to Reproductive Freedom with Protections for Health and Safety

- A. Every individual has a right to make and carry out one's own reproductive decisions, including but not limited to decisions on:
1. contraception;
  2. fertility treatment;
  3. continuing one's own pregnancy;
  4. miscarriage care; and
  5. abortion.
- B. The State shall not, directly or indirectly, burden, penalize, prohibit, interfere with, or discriminate against either:
1. An individual's voluntary exercise of this right or
  2. A person or entity that assists an individual exercising this right,

unless the State demonstrates that it is using the least restrictive means to advance the individual's health in accordance with widely accepted and evidence-based standards of care.

However, abortion may be prohibited after fetal viability. But in no case may such an abortion be prohibited if in the professional judgment of the pregnant patient's treating physician it is necessary to protect the pregnant patient's life or health.

- C. As used in this Section:
1. "Fetal viability" means "the point in a pregnancy when, in the professional judgment of the pregnant patient's treating physician, the fetus has a significant likelihood of survival outside the uterus with reasonable measures. This is determined on a case-by-case basis."
  2. "State" includes any governmental entity and any political subdivision.
- D. This Section is self-executing.

## Proposed Law

**To Commercialize, Regulate, Legalize, and Tax the Adult Use of Cannabis****Proposed by Initiative Petition****To enact Chapter 3780 of the Ohio Revised Code****A majority yes vote is necessary for the law to pass.**

To enact Chapter 3780 of the Ohio Revised Code, which would:

- Define adult use cannabis to mean marijuana as defined in Section 3719.01 of the Revised Code and establish the Division of Cannabis Control (the “Division”) within the Department of Commerce;
- Authorize the Division to regulate, investigate, and penalize adult use cannabis operators, adult use testing laboratories, and individuals required to be licensed;
- Legalize and regulate the cultivation, processing, sale, purchase, possession, home grow, and use of cannabis by adults at least twenty-one years of age;
- Create additional protections for individuals who engage in permitted adult use cannabis conduct;
- Establish the cannabis social equity and jobs program and require the Department of Development to certify program applicants based on social and economic disadvantage;
- Define “social disadvantage” to include membership in a racial or ethnic minority group, disability status, gender, or long-term residence in an area of high unemployment;
- Shield certain confidential information from disclosure to the public, including but not limited to any information reported to or collected by the Division that identifies or would tend to identify any adult use cannabis consumer and prohibit the Department of Development from releasing certain application information as public records;
- Require the Division to provide preferential treatment to applicants who have qualified for the cannabis social equity and jobs program based on social disadvantage when issuing level III adult use cannabis cultivator licenses and dispensary licenses;
- Prohibit certain local government entities from limiting specific research, levying a tax, or charge on adult use operations, their owner, or their property not generally charged on other business, and prohibit certain

local government entities from prohibiting or limiting adult use cannabis home grow or prohibiting or restricting an activity authorized by the proposed law;

- Authorize a landlord or an employer to prohibit the adult use of cannabis in certain circumstances, and prohibit the operation of a motor vehicle while using or under the influence of adult use cannabis and from using any other combustible adult use cannabis while a passenger in a motor vehicle;
- Limit criminal liability for certain financial institutions that provide financial services to any lawful adult use cannabis operator or testing laboratory licensed under the proposed law;
- Require the Division to enter into an agreement with the Department of Mental Health and Addiction Services to create a program for cannabis addiction services;
- Provide for the creation of five funds in the state treasury: the adult use tax fund; the cannabis social equity and jobs fund; the host community cannabis fund; the substance abuse and addiction fund; and the division of cannabis control and tax commissioner fund; and
- Provide for taxation of 10 percent on the sale of adult use cannabis by dispensaries in addition to usual sales taxes and require that all monies collected from the 10 percent tax levied to be deposited into the adult use tax fund and quarterly distributed as follows: 36 percent to the cannabis social equity and jobs fund; 36 percent to the host community cannabis facilities fund; 25 percent to the substance abuse and addiction fund; and three percent to the division of cannabis control and tax commission fund.

If passed, the law will become effective 30 days after the election.

**SHALL THE PROPOSED LAW BE ADOPTED?**

Yes

No

COMBINED ARGUMENT AND EXPLANATION  
FOR ISSUE 2

**Vote YES on Issue 2**

**to Regulate Marijuana Like Alcohol**

This proposed law models the best practices of 23 other states to create a system that regulates and taxes marijuana just like alcohol.

- **Generate New Tax Revenue.** Adult use marijuana sales will be taxed at 10% on top of existing state and county sales taxes.
  - Will generate several hundred million dollars in annual revenue for state and local governments.
  - Tax revenue will be used to increase funding for public safety, road improvements, drug treatment and prevention and investment in communities disproportionately impacted by Ohio's marijuana policy.
- **Remedy Failed Marijuana Policy.** Our current marijuana laws can ruin lives based on one mistake. This measure will end unfairly harsh punishments for minor marijuana offenses, freeing local law enforcement to focus on serious, violent, and unsolved crimes.
- **Expand Access for Medical Use.** For many seriously ill people, including veterans with PTSD and cancer patients, access to medical marijuana is still a challenge. Often, marijuana is the only medicine that relieves their pain and suffering without debilitating side effects. Issue 2 could help ease the pain and suffering of someone you love.
- **Must Be 21 to Buy or Consume.** Regulated marijuana businesses can't market to minors and will lose their licenses if they sell to them.
- **Rigorous Government Oversight.** Existing state regulators – experienced from nearly a decade overseeing Ohio's current medical marijuana program – will regulate every step of production, testing, and sales.
- **End the Black Market.** Passing this measure will create a legal marijuana market in Ohio with clear, regulated and enforced safety standards, thus drying up the black market.
- **Preserve Local Control.** Enables cities to decide for themselves whether to permit dispensaries in their communities.

*Submitted by Coalition to Regulate Marijuana Like Alcohol.*

COMBINED ARGUMENT AND EXPLANATION  
**AGAINST** ISSUE 2

Vote **NO** on Issue 2

*Don't buy it Ohio*

Issue 2 is a bad plan that puts profits over people. It legalizes an addiction-for-profit industry at the expense of our families and poses substantial risks to the public health and safety of all Ohioans, especially children and adolescents, given marijuana's high potential for abuse.

When casting your **NO** vote, remember that Issue 2:

- Is meant to make a few greedy investors rich, not to make Ohio better.
- Ensures we will be overrun with marijuana, as California and Colorado have proven.
- Recklessly exposes kids to a mind-altering substance in kid-friendly forms, such as candy and cookies.
- Promotes recreational use of a drug that causes withdrawal, distorted perceptions, respiratory damage, anxiety, depression, suicidal thoughts, and schizophrenia.
- Increases the likelihood that users will endanger others by driving while under the influence.
- Heightens the risk of workplace injuries and employer liability.
- Enables "home grow," which will inevitably create a cottage industry of "home growers" dealing marijuana laced with even more dangerous substances.
- Undermines and threatens the existence of our burgeoning medical marijuana program.

These, and other societal costs, far outweigh any taxable benefit, especially at a pitiful 10% tax rate. That is why hospitals, doctors, mental-health professionals, faith leaders, parents, educators, business owners, law enforcement, prosecutors, and policymakers alike strenuously oppose Issue 2.

This is simply a move to commercialize marijuana for billions in profit. It's today's version of Big Tobacco. We can't trust this industry. More time and research is needed. A better plan is needed. Let's not rush a decision that we'll later regret.

On November 7th, don't just say **NO**, vote **NO** on Issue 2.
